Emission Classification of Building Materials

ARDEX Oy

The classification committee appointed by Rakennustietosäätiö RTS sr has approved products:

ARDEX STA 40 x 40 ARDEX STB

to Emission Class M1. The classification is valid until 01.09.2027.

ARDEX Oy has the right to mark its classified products with the classification label and to use the classification label in the marketing of these products. The classification decision is based on documents Classification of Indoor Environment 2018, and Emission Classification of Building Materials, General rules.
